Financial Statements (unaudited) and  
Independent Accountant’s Review Report  
As of December 31, 20XX

**INDEPENDENT ACCOUNTANT’S REVIEW REPORT**

To Management  
Address

We have reviewed the accompanying balance sheet and statements of income, cash flow, and member equity of ABC LLC as of December 31, 20XX and the related notes. A review includes primarily applying analytical procedures to management’s financial data and making inquiries. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statement as a whole. Accordingly, we do not express such an opinion.

***Management’s Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Accountant’s Responsibility***

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion. We are required to be independent of ABC LLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our reviews.

***Accountant’s Conclusion***

Based on our review, we are not aware of any material modifications that should be made to the accompanying statement of financial position in order for it to be in accordance with accounting principles generally accepted in the United States of America.

**ABC LLC**  
**Notes of Financial Statements (Unaudited)**  
**From Inception to December 31, 20XX**

**NOTE 1 – ORGANIZATION AND OPERATIONS**

ABC, LLC was established in the State of Delaware on November 21<sup>st</sup>, 20XX.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting*** – Our financial statements are prepared in accordance with U.S. generally accepted accounting principles (“GAAP”). ABC follows a fiscal calendar ending on December 31st of each year.

***Use of Estimates***- – The preparation of financial statements requires management to make estimates and assumptions that may impact reported assets, liabilities, revenues, and expenses. ABC evaluates these estimates regularly and adjusts them as necessary to reflect the most current information available.

***Cash and Cash Equivalents*** – Cash and cash equivalents include cash balances and highly liquid investments with maturities of three months or less at the time of purchase.

***Fair Value of Financial Instruments*** - ABC adheres to ASC 820 “Fair Value Measurements and Disclosures,” which classifies fair value inputs into three tiers based on observability in the market. ABC' financial instruments are primarily categorized within Level 1, utilizing quoted prices in active markets for valuation purposes.

***Concentrations of Credit Risks*** - The company's financial instruments, particularly cash and cash equivalents, are exposed to credit risk concentrations. However, ABC mitigates this risk by placing funds with reputable financial institutions and regularly assessing the creditworthiness of counterparties for any financial transactions.

***Revenue Recognition*** - ABC recognizes revenue following ASC 606, “Revenue Recognition,” which entails a five-step procedure. This includes identifying contracts with customers, determining performance obligations, allocating transaction prices, and recognizing revenue when or as performance obligations are satisfied. ABC evaluates these steps for each customer contract upon signing.

***Income Taxes*** - As ABC is structured as a pass-through entity, any income tax implications are the responsibility of the company's owners. Consequently, no provision for income tax is reflected in the Statement of Operations.

***Recent Accounting Pronouncements*** - ABC monitors ASUs issued by the FASB to amend ASC. Management assesses the impact of these pronouncements on the company's financial statements. Currently, management believes that recent ASUs either offer supplemental guidance, provide technical corrections, are not applicable, or are not expected to significantly impact ABC' financials.

**NOTE 3 - RELATED PARTY TRANSACTIONS**

ABC complies with ASC 850, “Related Party Disclosures,” regarding the identification and disclosure of related parties and related party transactions. At present, there are no related party transactions requiring disclosure.

**NOTE 4: CONTINGENCIES, COMPLIANCE WITH LAWS AND REGULATIONS**

ABC is not involved in any pending or threatening litigation, and the company is in compliance with all relevant laws and regulations.

**ABC LLC**  
**Notes of Financial Statements (Unaudited)**  
**From Inception to December 31, 20XX**

**NOTE 5: DEBT**

As of December 31, 20XX, ABC does not have any outstanding debt.

**NOTE 6 - SUBSEQUENT EVENTS**

Management has considered subsequent events reviewed through March 31, 20XX, which is the date the financial statements were prepared. There were no subsequent events that required recognition or disclosure.

**NOTE 8 – GOING CONCERN**

The accompanying balance sheet has been prepared on a going concern basis, reflecting the entity's expectation to realize assets and meet liabilities in the normal course of business. As ABC has recently been established and has yet to commence principal operations, it anticipates incurring losses before generating positive working capital for an indeterminate period. The company's ability to sustain itself as a going concern over the next twelve months hinges on its capacity to generate revenue, secure financing, and effectively allocate capital to achieve profitable operations. While management is committed to these objectives, there is inherent uncertainty regarding ABC' ability to sustain itself as a going concern for a reasonable period.
